TO: PHM 284E (Law) Students at UT Austin, El Paso, San Antonio, and Rio Grande Valley

DATE: January 22, 2018

SUBJECT: PHM 284E, Spring 2018

1. Beginning January 22, 2018 classes will be held every Monday from 2:00-3:50 p.m. (CST) in Room PHR 3.106. Classes will begin promptly at 2 p.m. Students will not be admitted after 2 p.m. The course will be "team taught" with Fred Brinkley and Diane Ginsburg sharing the lectures. Lectures will be provided to El Paso, San Antonio, and Rio Grande Valley students through interactive television.

2. The course is divided into three units. Objectives related to each of the units are included in the Syllabus.

3. The required textbook for the course will be Texas and Federal Pharmacy and Drug Law, 11th Edition. Earlier editions of the book are not acceptable for class. Yi Kee (Anke) Poon, representing SNPhA, will be your contact for obtaining the textbook at a discounted rate. Anke has been in touch with you regarding the availability and purchase of the book. It is important that you have the textbook in hand for the first class lecture on Monday, January 22.

4. You are responsible for all stated objectives plus the information contained in Texas and Federal Pharmacy and Drug Law, 11th Edition and for any information presented in class. In addition, there will be other information provided to you through Canvas during the semester for which you will also be responsible for knowing. It is critical that lecture material and other readings posted on Canvas be completed before class.

5. Three examinations will be given during the course of the semester—one at the conclusion of Unit I and Unit II, and the final exam. In addition, three unannounced individual readiness assessment tests (IRAT) will be given during the semester. During all quizzes and exams, phones (including SmartPhones, SmartWatches or other devices such as calculators) will not be allowed. Any calculation question will not require the use of a calculator to answer.

Please be aware that given the nature of the law course The Final Exam Will Be Comprehensive.

Exam Weighting and Points are as follows:

Exams #1, #2, and the Final Exam will consist of True/False and multiple choice questions. IRAT quizzes will cover any reading assignments and may be True/False and/or multiple choice.

Any student establishing a legitimate reason for missing either the quizzes or exams will be required to take a make-up exam which may involve oral and written questions. If you miss an exam for any reason, you must have permission of the instructors or regional faculty coordinator and also fill out a “Request for Alternative Exam Time” form (“purple form”). Failure to take the final exam as scheduled will result in an incomplete in the course. With regard to IRAT quizzes, there will generally be no make-up unless the student has been previously excused from class. Final grades will be based upon the points below:

For individual assistance, students may make an appointment with Mr. Brinkley by calling (512) 750-9835 (fred.brinkley@gmail.com) or Dr. Ginsburg by calling (512) 471-3631 (diane.ginsburg@austin.utexas.edu). Since Dr. Ginsburg is located on campus, U.T Austin students should generally make her the primary contact for face-to-face appointments. For students at remote sites, please contact Mr. Brinkley or Dr. Ginsburg by email for assistance.

Pharmacy practitioners enjoy a special trust and authority based upon the profession's commitment to a code of ethical behavior while serving the public. The development of a sense of responsible professional behavior is a critical component of professional education, and high standards of ethical conduct are expected of pharmacy students. Students who violate University rules of scholastic dishonesty are subject to disciplinary penalties, including failure of the course involved and dismissal from the College and/or the University. Since dishonesty harms the individual, fellow students, and the integrity of the University and the College of Pharmacy, policies of scholastic dishonesty will be strictly enforced. Scholastic dishonesty will not be tolerated. Any student caught
cheating on an exam and/or IRAT quiz will receive a grade of zero for that exam or quiz. Students should be aware that it is the policy of the College of Pharmacy to dismiss for at least one long semester any student determined to be involved in any flagrant scholastic dishonesty activity.

8. Students are required to sit in the front of the lecture room, and no one should be seated in the last five rows of 3.106. We may be discussing cases and working collaboratively during class periods. It is critical that students sit together to work effectively.

9. Regarding class decorum, the policy within the law class (284E) will be as follows: Any student that exhibits inappropriate or disruptive behavior in class (e.g. talking, distracting other students, or using a computer, SmartPhone, SmartWatches, etc., for purposes NOT related to the class, such as texting or surfing the web) will receive a verbal warning by the instructor. This verbal warning will explain the inappropriateness of the behavior and request that it cease. If the behavior continues, the student will be asked to leave the class and will not be able to return to class until he or she has met with the Associate Dean for Academic Affairs and the instructor and the problem has been resolved. This policy is necessary to protect the integrity of the classroom and to ensure that individual students do not interfere with the educational process and the rights of other students.

10. Students with disabilities may request appropriate academic accommodations from the Division of Diversity and Community Engagement, Services for Students with Disabilities, (512)) 471-6259, http://www.utexas.edu/diversity/adce/ssd/.

11. **Copyright Warning!**

Copying, displaying and distributing copyrighted works may infringe the owner’s copyright. The University of Texas System’s policy statement on “Fair Use of Copyrighted Materials” can help you determine whether your use of a copyrighted work may be an infringement. Any use of computer or duplicating facilities, including non-university equipment, by students, faculty, or staff for infringing use of copyrighted works is subject to appropriate disciplinary action as well as those civil remedies and criminal penalties provided by federal law. This includes the textbook and slides for this course.

12. Instructors will utilize Canvas as the primary means of communication for course information. All grades will be posted on Canvas. You must have an active e-mail account AND check your e-mail on a regular basis.

13. Video recordings of a class are made available by the College of Pharmacy. They are intended solely for the purpose of review by students currently enrolled in that class. Any additional distribution of these recordings (regardless of format) is prohibited without the written and signed permission of the presenter. Because we are making class recordings available through Canvas, no individual student audio or video recordings of the lectures will be allowed.

Occupants of buildings on The University of Texas at Austin campus are required to evacuate buildings when a fire alarm is activated. Alarm activation or announcement requires exiting and assembling outside.

Familiarize yourself with all exit doors of each classroom and building you may occupy. Remember that the nearest exit door may not be the one you used when entering the building.

Students requiring assistance in case of an emergency evacuation shall inform their instructor in writing during the first week of class.

In the event of an evacuation, follow the instructions of faculty or class instructors.

Do not re-enter a building unless given instructions by the following: Austin Fire Department, The University of Texas at Austin Police Departments, or Fire Prevention Services office.

Link to information regarding emergency evacuation routes and emergency procedures can be found at: www.utexas.edu/emergency.

16. “Campus Carry”: Students should familiarize themselves with the information provided by the University regarding the implementation of “Campus Carry” legislation. You will find an information sheet specifically for students (as well as sheets for parents, visitors, faculty, and staff) at http://campuscarryutexas.edu/info-sheets.”

17. Religious Holidays by UT Austin policy: You must notify Mr. Brinkley or Dr. Ginsburg or your local coordinator of your pending absence. This must be done at least fourteen days prior to the date of absence of a religious holy day. If you must miss a class, IRAT, or examination to observe a religious holy day, you will be given an opportunity to complete the missed work within two weeks of the absence.

18. Attendance of classes is strongly encouraged.
